- Unit NG1 – Open Book Examination (24 hours to complete)
- Unit NG2 – A practical assessment to be carried out in your workplace (or other workplace) and submitted by email to SETA after the course end date

The NEBOSH National General Certificate is made up of two units which must be completed successfully within five years to achieve this qualification

Course Syllabus:

Unit NG1: Management of Health & Safety

- Element 01: Why we should manage workplace health and safety
- Element 02: How health and safety management systems work and what they look like
- Element 03: Managing risk – understanding people and process
- Element 04: Health and safety monitoring and measuring

Unit NG2: Risk Assessment

- Element 05: Physical and psychological health
- Element 06: Musculoskeletal health
- Element 07: Chemical and biological agents
- Element 08: General workplace issues
- Element 09: Work equipment
- Element 10: Fire
- Element 11: Electricity

All courses can be delivered on site subject to delegate numbers

All registration, examination fees and course materials are included in all our NEBOSH prices
